

**Art Requirements for Sunday International:**

All cards must meet the above physical dimensions.

One color and halftone cards should be saved as vector based eps files or 600 dpi bitmaps.

Spot color cards should have the colors called out and also be saved as a vector based eps files or 600 dpi bitmaps.

Digital Print or offset cards should be saved as 300 dpi cmyk eps files.

We can open files from most art programs so if you have any sizing, color or trapping concerns you may also send us your files in their creation program file formats and we can assist you in saving them properly.

email files to : [art@sundayint.com](mailto:art@sundayint.com)

mail a zip or CD to : Sunday International 5672 Buckingham Drive Huntington Beach CA 92649
